School is out and it's time to have some fun. Fear Factor week is all about conquering our fears. Learning to trust, to speak out for yourself and others, or just plain try something new. Life is full of challenges, and we are all about meeting them head-on. To add to the fun, we will visit the Pottenstein Ropes Course. A challenging venue, we will be learning to push our limits and trust our bodies, all while having fun. We hope you join us!

**Field Trip: Pottenstein Ropes Course**

### **CSI Katterbach • June 24-28 • Week 2**

It's not just "Elementary my dear Watson," it's CSI Katterbach! Our school age team of super sleuths will learn the basics of forensics this week. Fingerprints and the basics of DNA. We will focus on critical thinking and logical reasoning, leading to deductions based on evidence and facts. This will culminate in a game of "Who Dunnit?" wherein our detectives will have to solve a mystery. Please join us at Schloss Thurn as we explore the Wild West and Medieval times, with the occasional roller coaster, of course!

**Field Trip: Schloss Thurn Wall**

### **Game Show Mania • July 1-5 • Week 3**

"I'll Take Summer fun for \$100, Alex". Game show mania is all about bringing our favorite television game shows to life here at the SAC. We will play Jeopardy, Wheel of Fortune, and some of our other favorites as well. Come join us for a jam-packed week of fun and games. And if you love all things LEGO, then this is your week. Hope to see you there!

**Field Trip: LEGOLAND®**

### **Hollywood Week • July 8-12 • Week 4**

"Lights, Camera, Action!" This week the SAC goes Hollywood. We will be delving into the technical skills it takes to make movie magic. From acting to lighting, to simple film making. We got it covered. Our friends will be working on scripts and plot ideas to make their own short film. We will have the "Paparazzi Challenge." Can you get that sought after photo? And what is Hollywood without a Summer Action Blockbuster? Join us for the thrills at Tripsdrill Theme park for some amusement park fun!

**Field Trip: Tripsdrill**

### **SAC Has Talent • July 15-19 • Week 5**

Well, we've been to Hollywood, now it's time to show you what we've got. SAC Has Talent is our talent show where our friends will wow you with their special talents. Parents are invited to join in and show us what they've got. We'll Karaoke with some rockin' tunes to finish off the festivities. Join us and let your star shine! ## Camp Themes and Field Trip Information

### **A Night at the Museum • July 22-26 • Week 6**

Ancient Egypt, The Roman Empire, and the Mongolian Empire. What do they have in common? They are all significant parts of Human History. Just like the movie, SAC will bring history to life with an immersive week of exploration, including anthropology. We will learn amazing tales of the past, and learn about how far technology has come. This week we visit the Field of Senses. A hands-on outdoor and interactive museum, where all five senses will be explored in challenging and fun ways.

**Trip: The Field of Senses**

### **The 80s • July 29-August 2 • Week 7**

"Where we're going, we don't need roads." It's Back to the Future with 80's week. Rubik's Cube, Mix Tapes, Stonewashed jeans, and Rock Ballads. This was the 80's, a glorious decade of unforgettable fashion, music, and cheesy action movies. For some of us, it was only yesterday, but for our young friends, it's ancient history. This week we bring it back to give our SAC children a taste of days gone by. From the cold of the arctic to the sweltering heat of the jungle. Over land and sea, join us in a zoological expedition to explore diverse species of animals as we embark on a grand adventure to the Nuremberg zoo. From Prairie Dogs to Primates, we are sure to have a wild time!

**Field Trip: Nuremberg Zoo**

### **What on Earth?!! • August 5-9 • Week 8**

From Triceratops to the mighty T-Rex, it's all about our Dino friends. We'll take a look back at a part of history that fascinates us all. We'll explore the intricacies of excavation and searching for fossils. We'll take a leap forward and look at our prehistoric cousins, and see what traces of Dinosaurs still exist today! But wait there's more! We'll take a trip to meet the Dinos up close and personal at the Dinosaur Park in Denkendorf.

**Field Trip: Dinosaur Park**

### **DC vs. Marvel • August 12-16 • Week 9**

BANG! ZOOM! POW! What super power would pick if you could only have one? Superman or Iron Man? Wolverine or The Hulk? DC vs. Marvel has been waging battle for decades in print, and the box office. This week it comes to SAC. We will create our own heroes, make old school comic books, and try to answer the question of what it means to be a real-life hero. We hope you join us for this titanic struggle of epic proportions! For this week's trip, we take Soccer and Golf and turn it into one sport. How do you ask? Well, join us to find out!

**Field Trip: 3D Golf/Soccer**

### **Back 2 It!! • August 19-23 • Week 10**

All good things must come to an end, but not without one last hurrah. Summer is winding down, but we are going out with a bash. We will host some summer festivities this week, and revisit some of our favorite activities from the summer. 'Back 2 It' is also about getting ready for that all important next school year. But that doesn't mean we can't have fun doing it. This week we will visit INPLAYSIA, an indoor fun park where we can get all the wiggles out! It's a fan favorite, and we always enjoy our visits.
