5th 5 pts  
6th 3 pts  
7th 1 pt.

Kills will be awarded points with 1 kill being equal to .5 points,

Below, you will find an example of how the scoring will be updated and shown to all players via a link to the spreadsheet in the discord channel

Player 1	Player 2	Round 1	Round 2	Round 3	Round 4	Round 5	Total
James	Clark	5	15	2	3	7	30

- In the event of a Disconnect, players will be awarded the points they have earned up to that point in the round
- After 5 Battle Royale rounds, the Winners will be announced on the Discord server, based on the scoring listed above. Winners will be contacted to claim prizes.

- Code of Conduct:

Players will treat each other and tournament organizers with dignity and respect and conduct themselves in accordance with Army Values. Profanity, inappropriate comments, slurs, innuendo, and bullying will not be tolerated. Failure to comply will result in disqualification from the tournament by the Tournament Director.

- The Tournament Director will be monitoring the kill feed in game to help determine points awarded to each player/team and tally the scores so the results can be viewed in live time. In addition, the Tournament Director will coordinate the time in between the games to ensure all participants are in the lobby, before the game starts.
